

**CCPIT Electronics & Information Industry Sub-Council and  
RX (Reed Exhibitions) Notice on Postponement of NEPCON ASIA 2021  
and Change of Venue to Shenzhen World Exhibition & Convention  
Center (Baoan)**

Dear Exhibitors, Visitors and Partners,

In the last 2 weeks, the majority of cities in China have stepped up their prevention measures in the fight against the continuing threat of the Delta variant.

In compliance with the government's pandemic prevention and control measures to reduce the risk of spread of the virus we have made the decision to postpone **NEPCON ASIA 2021** which was due to take place at the **Shenzhen Convention & Exhibition Center (Futian)** from **25-27 August 2021**. The event has been rescheduled to **20-22 October 2021**, and will take place at the **Shenzhen World Exhibition & Convention Center (Baoan)**.

We apologize for any inconvenience that this may cause. We believe that, by moving the event to October we will allow for better preparation and facilitate a better plan for your participation in NEPCON ASIA 2021.

We look forward to seeing you at Shenzhen World Exhibition & Convention Center (Baoan) !

In the meantime, we are at your disposal. Should you have require any clarification, please feel free to contact us.
